Sir:

AMENDMENT

This is in response to the Office Action mailed to Applicant's representative on November 29, 2007. Examiner Paden has indicated that the action was mailed in July of 2007. Applicant's representative however did not receive the action at that time, and upon conducting a status check in November of 2007, requested that it be re-mailed.

Applicant respectfully requests that the date of mailing be reset to November 29, 2007, and that any extensions of time needed be calculated from that date.

An accompanying Petition is submitted with this response.

Please amend the application as follows.
